

Ludlow's Community - Led Plan

We will be developing with your HELP a 5 – 10 year ambitious vision for Ludlow.

The development of this vision will be through a NEW Community – Led Plan for Ludlow. This is a unique opportunity for local people to have their say on how they feel about living and working in the town, and what you think needs to change for the future.

The plan will take into account the views from ALL people in Ludlow, wherever you live and all age groups. We will listen to your ideas, concerns and what is important to you as an individual, a family and as a community.

We need to ensure Ludlow continues to grow and prosper in the years to come, to retain and enhance what makes it special, but also need to acknowledge there are many challenges for our small market town now, and in the future.

Only by working together with a shared vision, and a set of clearly identified priorities will we be able to shape, and improve the quality of life for the people who live, work and visit Ludlow.

Please get involved with our consultation events during October and the completion of either a paper questionnaire or online via Ludlow Town Council website.

Your views, comments and suggestions will support the development of a larger and more detailed survey in the New Year.

Your views can be heard in a number of ways:

Online survey – www.ludlow.gov.uk

Email – ludlowcommunityplan@gmail.com

Telephone – 01584 87604

Mobile – 07974001310
