

Report in the Public interest

Dear Members

Bromfield Parish Council - Report in Public Interest.

As appointed auditors, we have a duty to consider whether to issue a report in the public interest when a matter comes to our attention which we believe the authority should consider or the public should know about.

This letter constitutes a public interest report under Schedule 7 of the Local Audit and Accountability Act 2014 (the Act), about the authority's failure to prepare an annual return for the year ended 31 March 2017, as required by the Accounts and Audit Regulations 2015 and associated guidance¹.

The authority is responsible for the use of funds raised by local taxation, and should properly account for how it has used and protected those funds. Bromfield Parish Council is required by law to prepare an annual return:

- summarising its financial position; and
- giving assurances that it has adequate governance arrangements to protect public funds.

We issued a statutory recommendation to the authority on 30 August 2017 that it should submit an approved annual return by 4 October 2017.

As at 28 November 2017 no such return has been submitted to us. As a result, Bromfield Parish Council has failed in its statutory duties to account to its taxpayers for the use and safeguarding of their money. In addition, the authority has also now failed to comply with the statutory requirements for considering and responding to a statutory recommendation made by the auditor.

This is the third successive year that the Council has failed in its statutory duty to prepare an annual return and we have been working with Shropshire County Council to try and ensure a meeting of the Parish Council is convened to assign responsibility and agree a timescale for submission. The County Council has exercised its power under Section 91 of the Local Government Act 1972 to appoint 3 temporary members to the Parish Council but have been unable to contact the existing members to arrange a meeting, despite numerous attempts over the past month.

We have now exhausted all options open to us to attempt to obtain an annual return, and therefore have no option but to certify completion and bring to an end our responsibilities as auditor for the year 2016-17. We have taken this decision reluctantly, as once completion is certified, public rights (such as the rights to inspect the accounting records and associated documents and to ask questions or make objections to the auditor) can no longer be exercised.

The Act requires the authority to consider this public interest report at a public meeting within one month of the date of this letter. The full requirements of Schedule 7 are included as the annex to this letter, and the authority should ensure that it complies with all requirements.

¹ Proper practices are set out in *Governance and Accountability for Smaller Authorities in England*, which is approved by the Joint Panel on Accounting Guidance (JPAG) and published jointly by the Society of Local Council Clerks (SLCC), the National Association of Local Councils (NALC), and the Association of Drainage Authorities (ADA).

The smaller authority should also note that, as a result of receiving this public interest report, the smaller authority will not be eligible to certify itself as exempt from limited assurance review in 2017-18 (if it would otherwise be eligible), as it will have failed one of the qualifying requirements set out in Regulation 9(3) of The Local Audit (Smaller Authorities) Regulations 2015.

We have a duty to send a copy of this report to the Secretary of State and the power to send a copy to anybody we think appropriate. We have therefore sent a copy of the report to the Solicitor of the billing authority who has been dealing with this matter.

In accordance with the terms set out in previous correspondence, this report also gives rise to an additional fee of £300 plus VAT, payable by the authority.

Yours faithfully,

Cameron Waddell
